Please score your beer in this pub

0. No cask ale available.

1. **Poor.** Beer that is anything from barely drinkable to drinkable with considerable resentment.

2. **Average.** Competently kept, drinkable pint but doesn't inspire in any way, not worth moving to another pub but you drink the beer without really noticing.

3. **Good.** Good beer in good form. You may cancel plans to move to the next pub. You want to stay for another pint and may seek out the beer again.

4. **Very Good.** Excellent beer in excellent condition.

5. **Perfect.** Probably the best you are ever likely to find. A seasoned drinker will award this score very rarely.
